

WINTERBORNE HOUGHTON PARISH COUNCIL

LAST CHANCE TO COMMENT ON REVIEW OF PARLIAMENTARY CONSTITUENCY BOUNDARIES

The Boundary Commission for England is proposing that the North Dorset constituency should be abolished and that Winterborne Houghton (and Turnworth, Winterborne Clenston and Winterborne Stickland) should become part of a new constituency called Warminster and Shaftesbury.

Blandford, Milton Abbas and Winterborne Whitechurch would become part of a different new constituency called Mid Dorset.
