

### **PROPOSED TEMPORARY ROAD CLOSURE OF BULBARROW LANE, WINTERBORNE HOUGHTON**

I have received an application from A - Plant Lux agents on behalf of BT, to close Bulbarrow Lane, Winterborne Houghton from the junction with Water Lane to a point approximately 130 metres north. The closure has been requested to allow BT access to work on their overhead network. These works are programmed to commence from 09:30 - 15:30 on 16th October 2018 for 4 days with an end date of the 19th October 2018. The road closure is necessary for safety reasons, as the works will take place within the whole width of the carriageway.

A - Plant will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only. However, if you have any concerns about this proposal, please contact Tom Faulkner (trafficteam@dorsetcc.gov.uk) by the 1st October 2018.
