Subject: TV Programme hoping to speak to Grandparents

Hello,

I hope you are well and don't mind me getting in touch. I came across your email in connection with Dorset Parish and District Councils.

I was hoping you may be able to spread the word amongst your community and if possible to feature some information in a local newsletter or magazine.

I work for a television company called Shiver Productions and we are developing a new television programme for one of the major broadcasters. We are looking for vibrant, fun and outgoing grandparents who have **3 or more adult (18+) grandchildren** who they would like to spend more time with.

In the programme, grandparents will spend one-on-one time with their multiple grandchildren in an attempt to get to know them better and see if they can offer any help. They will learn about the pressures their grandchildren face, the lifestyle choices they make, their hopes for the future and what, if anything, is standing in their way of achieving them. And it should be a fun experience!

Filming for the programme will not take place straight away, this is the initial casting stage and we are only hoping to speak to people over the phone. If you are selected to be on the programme our Production team will arrange all the logistics for you!

I was hoping you could share this email along with our flyer, amongst the council, community, colleagues, or anyone else who might be interested to see if there are any grandparents who might like to get in touch with us. I have attached a flyer which can be shared on social media or printed off and stuck on a notice board.

We're hoping to hear from people **as soon as possible!** It would be great if you could let me know if this is something you could help us with.

We can be contacted on 0207 157 4588 or emailed at shivercasting@shiver.tv

Many thanks,

Grace.
